EDUCATION

GITAM University

Bachelor of Technology in Computer Science Engineering — CGPA: 7.93

Bengaluru, Karnataka

2023 – 2027

RT Nagar PU College

Intermediate — Percentage: 79.5%

Karnataka, India

2020 – 2022

EXPERIENCE

Web Development Intern

May 2026 – Jun 2026

Kodbud

Remote

- Completed a 4-week AICTE-approved Web Development Internship focused on responsive web application development.
- Designed and developed responsive web pages using HTML, CSS, and JavaScript.
- Worked on practical web development projects and strengthened frontend development skills.
- Gained hands-on experience in debugging, testing, and deploying web applications.

PROJECTS

AI-Powered Voice Interview Application | *HTML, CSS, JavaScript*

- Developed an AI-assisted voice interview platform featuring separate User and Admin dashboards.
- Implemented voice recording and answer submission functionality for candidates.
- Designed a responsive and user-friendly interface for seamless interview experiences.
- Enabled interview management features including candidate tracking and response storage.
- Improved accessibility and usability through structured navigation and intuitive workflows.

Employee Record and Payroll Management System | *Python, SQLite*

- Developed a desktop application to manage employee records and payroll operations.
- Implemented attendance tracking and automated salary calculation based on employee data.
- Integrated SQLite database for secure storage and retrieval of employee information.
- Generated salary slips and payroll reports automatically, reducing manual effort.
- Designed CRUD functionalities for adding, updating, deleting, and viewing employee records.

ACHIEVEMENTS

- Participant, Smart India Hackathon 2024.
- Active problem solver on LeetCode, practicing Data Structures and Algorithms.
- Completed AICTE-approved Web Development Internship at Kodbud.

TECHNICAL SKILLS

Languages: Java, Python, SQL

Web: HTML, CSS, JavaScript, REST APIs

Database: MySQL, SQLite

Tools: Git, GitHub, VS Code, PyCharm

AI/ML: NLP Basics, Generative AI, Prompt Engineering

Coursework: DSA, OOP, DBMS, CN, OS

Soft Skills: Problem Solving, Communication, Collaboration

CERTIFICATIONS

- Cisco Networking Basics – Cisco
- Web Development Internship Certificate – Kodbud
- Canvas of Creativity: Unveiling Ideas & Breakthroughs – IEEE-CS & GITAM
